

Fresher for longer...

...and sealed with a twist.

Available in 250ml and 500ml containers and packed in store friendly shelf ready trays to add style and colour to any chill cabinet.

The new re-sealable jar from Strathroy means the cream stays fresh and lasts longer, retaining its natural flavour.

Now re-launched in stylish screwtop jars that are re-sealable to keep cream fresher for longer in the household fridge. Avoids spillage and tainting – so you can enjoy the natural taste of Strathroy fresh cream again, and again, and again...
